**HOW TO USE THE BAROMETER DECK:** Set aside the first 3 info cards. Organize and score the 9 pressure cards in a diamond pattern as shown. The top card represents greatest strength (+2), while the bottom indicates greatest pressure (-2). Place the remaining cards somewhere along that pressure spectrum (+1, 0, -1). Reflect on the outcome and compare to other people for identifying the types of games or activities that would best leverage team strengths to address areas of pressure.
